Acting President, WALLACE B. FLEMING

West Virginia Wesleyan College

BUCKHANNON, WEST VIRGINIA

The West Virginia Conference at its session in 1940 requested the Board of Education of the Methodist Church to make a survey and to recommend a college program for the Conference. The study was made and the report of the Survey Committee was placed before the Conference at its 1941 session.

The report recommended that the Conference maintain but one college, West Virginia Wesleyan, and that this college be developed into an institution worthy of a high place among the colleges of Methodism. By unanimous vote these recommendations of the Survey Commission were adopted by the Conference.

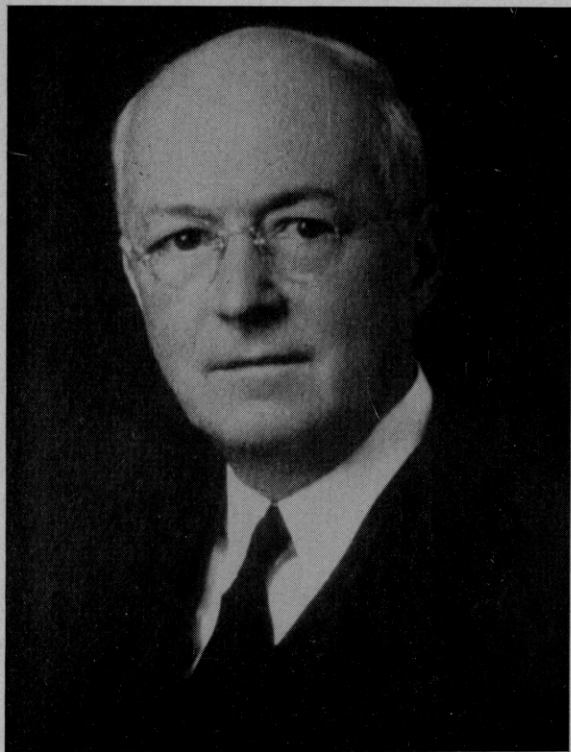

This action makes West Virginia Wesleyan the one Methodist College of the state. But the Wesleyan envisioned in the Survey report, while developed upon the sure foundations already laid, will be much more than the West Virginia Wesleyan of the past or of the present.

By the cooperation of the entire Conference the college's building program already planned should come to speedy realization. The new chapel and building for religion, the new hall of music and fine arts, the new library building, the dormitory for men, the social center building, the new heating plant—all these and perhaps an additional building or two should be erected. Funds for current support and endowment funds for college maintenance and for student aid should be greatly increased.

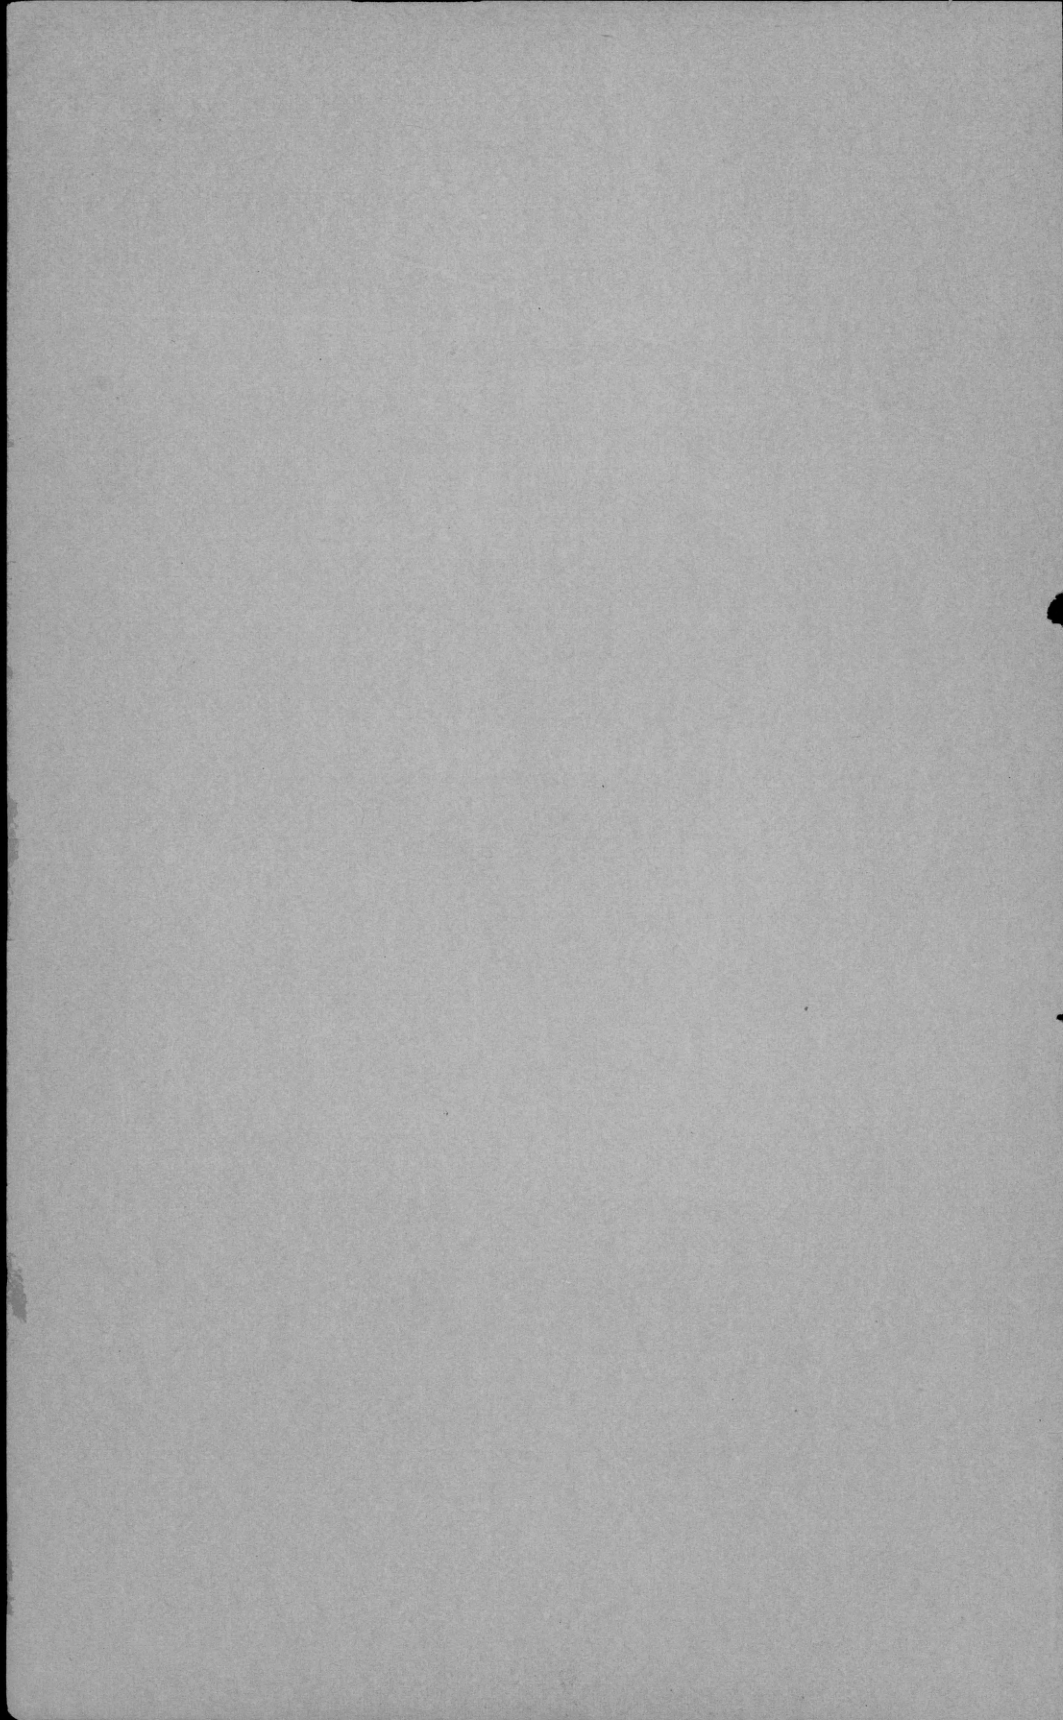

All of this must be done in the interests of the Methodist youth of West Virginia to help them prepare for Christian service and leadership. The future of civilization depends upon the success of this and other Christian colleges in the training of just such leadership.

Wesleyan welcomes the larger opportunities and obligations with full faith that Methodist youth will eagerly welcome the opportunities to prepare for Christian service while preparing for their various vocations, and that many of them will find their vocations in fields of Christian service. The college is confident, also, that the great West Virginia Conference will provide all resources necessary for the rendering of college instruction of the highest quality for such young people.

We rejoice in the large measure of success which attended the appeal for a Compassion Day offering of a million dollars. The response of the people was most heartening, and suggests that Methodism is not on the way out, but on the way up. We are grateful to God for His help, and to the Bishops and others who led us in this great undertaking.

We recognize that this work is not done, but only splendidly begun. Needs continue and increase in these days of widespread conflict and desolation. In particular, the work of the Methodist Committee for Overseas Relief, appointed by the General Conference for this quadrennium, is a continuing work, and apart from the offering of any special day, should enter into the regular month-by-month program of all our churches.

We covenant that this privilege of sharing with the refugees, the prisoners, the needy and desolate of many lands, shall be presented to our people. We will invite them to specific prayer, and will set the example in our own pulpit ministrations, especially on October 5, World Communion Sunday.

We will seek by the use of Thank-Offering boxes in the church and in the homes, by the devotion of communion offerings, by emphasis on the fifth Sunday of a month, or by such other means as we and our people may agree upon, to maintain their steady interest and help for this outstanding duty and opportunity of the present day for Overseas Relief.

VI. REPORTS

BOARD OF CHRISTIAN EDUCATION

REPORT No. 1

The Board of Christian Education wishes to express its appreciation of the intelligent and sacrificial service rendered by all its staff members. Ours has not been an easy task, but it has been most challenging and creative. We are aware that statistics can never measure the vital changes that have come to hundreds of people who have been touched by our program but in order that the Conference may be at least partially aware of the scope of our policy and program we take pleasure in cataloging a few of our experiences and achievements:

I. The Children's Division:

The work of this division has been under the direction of Mrs. H. M. Wade. 27 courses for Children's workers have been offered, with more than 400 persons enrolled. Four persons accredited to teach in this Division. Two regional and 40 local Vacation School Institutes were held. We have had 285 Vacation Schools with 14,500 children and their leaders in attendance. More than 100 workers attended the Children's Camp which cooperated with the Woman's Society of Christian Service in providing assistance in the Missionary Education of Children. 54 officers or teachers are enrolled in the fellowship of Study. 102 Churches have been visited by our volunteer workers. The Conference Director traveled 15,715 miles, spent 241 days in the field, became accredited in 5 new courses, taught in 20 training schools or classes, participated in 21 Vacation School Institutes, held 21 Conferences with District Directors, cooperated in 15 Staff meetings and cared for an innumerable lot of details which have contributed to the personality enrichment of the Children of the Conference.

II. The Youth Division:

Mr. A. Argyle Knight has been our Director of Youth Work. 18 courses have been offered in Training Schools with 430 enrolled. 11 Week-end Institutes have been conducted reaching 760 young people. 4 One-day Institutes were held with an attendance of 572. Five District Camps reached 272. The Conference Intermediate Camp was the largest in our history with 237 present. 125 Young People and their leaders attended the Conference at Caesar and 324 enrolled at Buckhannon for the Senior Conference. 52 Young People and outstanding leaders attended the Conference of Christian Education in Parkersburg. Nearly 1000 meetings of one kind or another were held by Methodist Youth during the year. Several District rallies were conducted. The largest of these was held at Clarksburg where nearly a 1000 young people heard Bishop Straughn. In carrying out these activities the Director spent 205 days in the field, 131 in the office and participated in more than 200 meetings.

III. The Adult Division:

During the Young Adult Conference at Camp Caesar which was

attended by 60 representative Young Adults. The Young Adult Fellowship was organized with Prof. E. V. Core as President. Other officers were elected and committees appointed and the new organization starts off with real enthusiasm.

IV. Leadership Training:

This year 168 training classes have been taught in 58 different training agencies, accredited and non-accredited. These include the Conference-wide agencies of which three were Youth Summer Camps and Conferences, one Children's Workers' Camp, (School) one Youth Adult Assembly, one Conference School, (at Buckhannon). More than 1200 persons enrolled in the 1941 Summer Program of Educational Activities, and a grand total of 4,253 were enrolled in all the formal training opportunities during the year. A total of 1026 credit cards were issued by the accredited agencies.

V. Wesley Foundation and Colleges:

The Wesley Foundation under the Direction of the Rev. Ward Harvey has carried forward an excellent program in an effort to minister to more than 1000 Methodist students enrolled in the West Virginia University. Morris Harvey College has enjoyed a good year with a total enrollment of 2093 students. 538 of these were summer students and 492 were full time students. West Virginia Wesleyan College closed a very successful year with an enrollment of 500 full time students.

VI. Other Items:

Our Annual Conference had the largest delegation attending the Church-wide Conference on Christian Education held in Nashville. We had approximately 100 leaders attending the Conference Council at Parkersburg. In the promotion of World-Service Sunday 9000 leaflets have been distributed. 4000 charts explaining the nature of the benevolent dollar have been shared with our people. To date \$26,139.43 has been received on World-Service through the Church School. We report that only 230 churches have reported the observance of Rally Day and only 1500 has been received. We expect these figures to be materially changed before Conference adjourns, but the fact remains that we are not making full use of this potential agency for acquainting our people with the importance of Christian Education in the local church. We covet your cooperation in making more effective this portion of our program.

During the session of the 1940 Conference you approved the recommendation of the Board of Education that a Committee representing the General Board of Education be requested to make a survey of our educational opportunities and responsibilities. This survey has been made and the report made to the Board of Education.

Again we wish to thank each and every one who has contributed to the success of our program of Christian Education during the past year and to enlist your interest and effort in making the year ahead one that shall long be remembered because of its high and effective achievements.

Since the Executive Secretary, Harvey C. Porter, requested the

Board of Education last year not to consider him for the Secretaryship for the ensuing year, the following resolution was presented and adopted:

Resolved: That this Board of Education express its appreciation to Rev. Hravey C. Porter, retiring Executive Secretary, for his untiring zeal in the work of Christian Education during these difficult days of transition; especially in the meticulous details effecting coordination of the work of the three uniting churches; and his Christian consecration to the work.

BOARD OF EDUCATION

REPORT No. 2

Program and Policy

In assuming the responsibility for the work of Christian Education during the coming year, your Board makes the following recommendations concerning program and policy.

I. The Local Church Objectives:

The orgaization of a properly functioning Church Board of Education in every local Church.

Continued cooperation with other Boards in promoting World Service Sunday in all Church Schools with special emphasis upon the new plan of Missionary Education of Children and Youth.

Promote a more effective use of the Methodist Church School Literature through training opportunities, institutes and exhibits.

We will encourage the expansion of Week-day Church Schools and cooperate with local churches and committees in training leaders for this essential work in an effort to keep it on a high standard.

Promote Vacation Church Schools in the Local Churches, co-operating where the need is evident with other races in this work, and to expand our training opportunities for workers in Schools.

Provide opportunity for every teacher, educational leader and prospective worker to take one or more training courses each yaer, and insist on the necessity of having well trained Christian Workers.

Promote the careful observance of special days as provided in the Discipline, e.g. Race Relations Sunday, Student Day, Church School Rally Day (to be observed the first Sunday in October or as near thereto as possible. The offering to be sent to the Conference Treasurer.)

Urge that accurate records be kept in forms approved by the Divisions of the local church, and that regular reports be made to the Quarterly Conference.

That the Youth Division study new plan of organization for Methodist Youth Fellowship and organize according to the plan.

That Councils of Children's Workers be organized to study the plan for Children recognizing that all educational work for children within the local church, including regular and extra meetings is responsibility of this Council.

To help stronger Church Schools to cooperate with weaker Churches.

Promote the organization of a Young Adult Fellowship in the local Church.

II. Objectives Which Relate Primarily to the District Program:

That the District Superintendent and Conference Staff cooperate in the careful selection and training of the District Staff.

District Staff meetings to be held early in Conference year for the purpose of zoning District and planning the program of Christian Education within the District; such as training schools, institutes, camps, etc.

Continue the cultivation of sub-district organization for young people, and one formal or informal training opportunity in each sub-District.

Cooperate with District Superintendents and Pastors to provide worship services in churches where the pastors cannot reach each Sunday and organize and conduct Church Schools in communities where there are no Church Schools. Emphasize this point.

III. Conference Wide Objectives:

A Christian Education Conference to be held the early part of 1942, participated in by the Bishop, the District Superintendents, Conference Boards, Conference Staff, District Staffs and Conference Youth Officers.

A Pastor's and Christian Worker's Training School or the West Virginia Conference. In this enterprise we would seek the cooperation of the Conference Commission on Ministerial Training and Board of Missions and Church Extension, and the Woman's Society of Christian Service, Board of Lay Activities, each sharing financially and each represented on a joint Board of Managers by two persons from each cooperating Board or organization.

A Conference-Wide meeting of Children's Workers, an Intermediate Camp, and two Conferences or camps for youth, and a young adult camp. That the Intermediate Camp become a laboratory Camp for the purpose of training leaders for District Camps.

We suggest a Committee appointed by the Board to study the problem of camps or meeting places and facilities for an adequate summer program of Christian Education. This Committee is to report to the Board by January 1, 1942.

We suggest as a worthy objective a special effort to provide accredited instructors for our training program and to provide coaching conferences to try to reach and maintain the standards set by our churches. Wherever possible release time of Conference staff by securing instructors in centers.

Develop an adequate extension program of Christian Education and Evangelism, with the joint aid of the Board of Missions and Church Extension, the Laymen's Organization, Conference Commission on Evangelism, and the Conference Youth Organization, and Woman's Society of Christian Service and promote plans for reaching the unreached in rural and industrial areas, and provide for the people the preaching of the Gospel and Christian leadership. No systematic work done here. Emphasize this phase of the work this year.

Give emphasis to training Vacation School workers through Observation Vacation Schools in centers.

Make provision if possible for the Conference Board Officers and Conference Staff to attend the Conference on Christian Education in Nashville, Nov. 25-28, 1941 and encourage District Superintendents and other leaders to attend.

Appropriate sum of at least \$50.00 for books for Conference Library, the books to be selected and cared for by a Committee of three.

That in event the Conference establishes a West Virginia publication the Board of Education use the pages of the paper as a medium for Conference-Wide publicity.

That a state wide Methodist Student Conference be provided.

IV. General Objectives:

We recommend that the Conference Board of Education hold a pre-Conference Session of the Board from two to four weeks prior to Annual Conference.

That the Board act as a clearing-agency for churches desiring Directors of Christian Education and for directors seeking positions.

V. Colleges:

We recommend the appointment of the following men to serve as Trustees of Morris Harvey College for a period of three years.

J. B. McLaughlin	Henderson L. Peebles
C. W. Ferguson	Max Frankenberger
A. W. Cox	John V. Ray
W. B. Geary	Youell Woodrum
A. B. Koontz	Bishop James H. Straughn

We recommend the names of these Trustees whose terms expire at this Conference for re-election for the usual term of four years to the Board of Trustees of West Virginia Wesleyan College:

Lawrence R. Lynch	Rev. John L. Wolfe
Myron B. Hymes	Rev. Joseph C. Hoffman
H. Roy Waugh	Rev. W. P. Eastwood
Mrs. Myrtle Fletcher	Rev. Frank L. Shaffer
A. F. McCue	Rev. B. T. Trevey

We recommend Mr. Okey Pattison, Mount Hope for one year to fill the vacancy caused by the resignation of Dr. O. L. Hudkins from the Board of Trustees of West Virginia Wesleyan College.

LAY ACTIVITIES OBJECTIVES

As proposed by the Laymen's Institute for consideration by the Board of Lay Activities, West Virginia Conference.

The continuance of emphasis on teaching and promotion by every possible means, preaching, classes, distribution of literature, pageants, lay programs of Christian Stewardship in its broadest sense, which includes stewardship of life, personality, talent and influence as well as of property and possessions.

Extension of personal evangelism in every possible way. We realize that Christian witnessing and personal work, coupled with

the preaching of the Word is one of the most effective methods of evangelism.

The promotion of lay speaking or preaching in the work of the Church. Special attention to the fitting observance of Laymen's Day in all Churches, using as many laymen as possible in the program. Co-operation with pastors in providing worship services in every Church every Sunday, by the use of Lay speakers or leaders where necessary.

Lead the membership of the Church to a realization of the fact that the office of the District Superintendent, and their co-operation and leadership is essential to the Lay Activities program and to the Church.

To work toward a goal of "A Sound Financial System in Every Church," which will assure an "Adequate Support of the Ministry."

To intensify our program of cultivation and promotion to the interest of reasonable increases in World Service acceptances, and full payment of the acceptances. This program to include such information concerning World Service Askings as will give the membership of the Church a clearer understanding of the purpose and necessity for the askings. We urge special attention to the fourth Sunday offering in the Church School as an aid in raising our World Service Acceptances as well as an aid in the educational program.

Close co-operation between Pastors and Lay Leaders in all phases of Church work. We indorse the Annual meeting in the local Church as a suitable means of interesting the membership in the work of the Church at large.

Organization and training of Official Boards should be such as will promote efficiency in the work. To this end we propose institutes similar to the Jackson's Mill Institute to be held in Districts and in local Churches, using the best available instructors.

We recommend a meeting of the Board of Lay Activities of each District as soon as practicable after Conference or after the meeting of the District Stewards. This meeting to be called by the District Lay Leaders and the District Superintendents. The purpose of these meetings will be to plan the setting up and carrying forward the work of the Lay Activities for the year.

We recommend that the children of the Church School be included in the total financial program of the Church by giving them envelopes. Thus they will be receiving training in the support of the Church School and the Church, which will lead toward adequate support in the future.

We recommend that all Churches give due attention to the practice of Christian fellowship. Let us cultivate a genuine friendliness which will create a favorable impression upon visitors and increase the influence and effectiveness of the Church.

Christian Literature should be in every home. We urge that at least one good Church paper should be taken in every Methodist Home. We further recommend the reading of Charles E. Schofield's Book, "The Methodist Church," and that every Church Official should read "The Methodist Laymen."

We recommend the appointment of a Committee to co-operate with Lay organizations of other Churches to devise means of dealing with the problems created by the liquor curse in the territory covered by the West Virginia Conference.

GEORGE W. BRIGHT, Chairman.

GEORGE S. SNODGRASS, Secretary.

CONFERENCE COMMISSION ON EVANGELISM

Your Commission earnestly recommends an intensified continuance of our evangelistic program. Methods may change with changed conditions, plans will vary, and incidental features must be adapted to different situations, but the basic and essential elements of genuine New Testament evangelism are unchanging.

Each preacher must have an evangelistic passion. The best evidence of a divine call to preach the Gospel is a fervent desire to win souls to Christ. Those who have heard the Master's voice, and have caught the gleam of his face, will share his spirit. The flaming heart issues in the tongue of fire, which in turn kindles the hearts of those who hear. The warm heart, and the consecrated life are essential to evangelistic success.

Each Church must be sympathetic with and responsive to the evangelistic message. The Church that is predominantly cold, formal, and worldly, chills the fervor of the preacher, and smothers his zeal. It is from the warm responsive fellowship of a membership in living unison with its Lord that there is created an atmosphere in which the most efforts, a spiritual climate is evolved in which seeds of truth germinate and burst into life and bloom. All methods, plans and activities that have or can be used to bring about such conditions are commended; education, personal, visitation evangelism, revival meetings and others. Experience has amply shown that all these methods are mutually complimentary and most effective when used in combination. Methodism has demonstrated through the years the power and effectiveness of mass evangelism, or the revival meetings. When we have temporarily neglected it, diminishig increase of membership has shown our mistake. We must continue, along with all other methods, to have special revival seasons.

In modern times it is to be feared that many have been too much afraid of emotion in religion. Many of our churches have been placed in cold storage. Methodism spiritually speaking thrives best in tropical climate. Our religion can stand a good deal of heat, but too much cold is fatal. Where there is life there will be heat and movement and feeling.

Your Commission has heard a report from Rev. Carl Looney, Conference Evangelist. He has conducted fourteen revival meetings during the past year, resulting in a substantial number of additions to the church on profession of faith, and a great deepening of the spiritual life of the churches where he labored. We recommend that all pastors desiring his service, contact him early in the Conference

year so that he might complete his slate for the year. We also recommend that he be continued as Conference Evangelist for the coming year.

The growing interest in the Evangelistic spirit among the pastors is indeed gratifying, and we commend them for their heroic efforts to carry out a real evangelistic program throughout the year.

We recommend that one session of the Annual District Conference be given to the District Commission on Evangelism so that the cause of Evangelism within the bounds of the District may be given proper emphasis.

That each District Superintendent set up the District Commission on Evangelism in each District as provided by the Discipline, and report same to the Secretary of the Conference Commission on Evangelism.

That wide use of the Evangelistic Literature now made available by the General Commission on Evangelism, and we especially recommend the use of the Upper Room and Tiding in all of the Churches.

That District Superintendents recommend suitable persons that might be used as Evangelistic singers to the Conference Commission on Evangelism.

J. L. ROBERTSON, Chairman.

W. E. KEENAN, Secretary.

AN ACTIVITY OUTLINE**Pittsburgh Area****1941-42**

At the request of the Bishop of the Area, a Committee of six ministers, two from each of the three Conferences, selected by him, has worked out a suggestive outline of activity for the next Conference year with particular reference to the Lenten Season and it is being submitted to each Conference for consideration and possible acceptance. It is not intended that this outline in its entirety shall compel its use by all pastors and charges, but it is expected that its adoption by the Conference will provide in its general outline a basis of unified effort by the three Conferences and that each charge, if not applying the full outline, will at least adapt such part to its church program as will keep it in line with the general effort and thinking of the Area. Such cooperation will materially benefit the whole Area over this period in the development of a common

mind and purpose, leading to possibilities of the exchange of plans, effort and personnel in reaching these common objectives.

The broad outline of such Activities would be somewhat as follows, later on elaborated in detail:

QUICKENING THE SPIRITUAL CONSCIOUSNESS OF THE CHURCH

First Objective: We suggest that a very special effort be made beginning with the Week of Prayer, January 4,-11, to arouse inactive Methodists and deepen the religious experience of our entire membership, this effort to culminate with Roll Call and Membership Certificate Sunday, February 15, 1942.

REACHING OUR CONSTITUENCY FOR CHRIST AND THE CHURCH

Second Objective: We suggest that the Lenten Period, February 18 to April 5, be used for special emphasis on evangelism, during which period our best effort be made to bring to Christian decision and Church Membership all those who can be reached by our ministers and laity. We hope to see during the Easter season of 1942 the greatest ingathering of souls ever witnessed in the Pittsburgh Area.

MAKING OUR RELIGIOUS EXPERIENCE PRACTICAL IN GIVING

Third Objective: We further suggest, running along in this same period, a planned Stewardship emphasis including instructions in World Service, Conference Benevolences and Systematic Giving. It shall be our purpose to give practical expression to our spiritual deepening by generous offerings during the Easter season for the larger Kingdom interests of Methodism.

Your Committee recommends:

1. That with the approval of the Annual Conference this same Committee be requested to continue its work on this Outline, developing into detailed suggestions the three main emphases or objectives immediately on adjournment of the three Conferences; have the same set up in printed form and distributed in ample quantities to all pastors and interested parties, and that the expenses entailed be charged to the Area Fund.

2. That the promotion of this effort become the responsibility of the Area office and of the three Cabinets, with particular request that the District Superintendents use this Outline as the basis of discussion in the District meetings, to be held this fall, and later as may be desirable.

3. That all related commissions and agencies shall introduce the Outline into their own activities as far as the Outline concerns their fields of service, such as the Board of Education, Missions and Church Extension, Lay Activities, Evangelism, Woman's Society of Christian Service, Methodist Youth Fellowship — in order that in a

common program we may have our entire Area at work in a common purpose and mood.

Your committee, therefore, submits this General Outline for your prayerful and sympathetic consideration.

Your Treasurer is bonded in the sum of \$1200.00, and our Conference Secretary is custodian of the bond. All officers serve without financial remuneration. This is a labor of love.

Acknowledgement is made of the Laymen's fine help. 31 Honorary memberships.

These persons, groups, classes, some official boards, each pay \$1.00 into our Mortuary Fund upon notice of a death. This number should be increased ten-fold. Any person interested please drop a card to the Secretary for full particulars.

The Berwind Bank is doing us a fine service in handling hundreds of our small checks, and keeping our funds safe without cost to us. Our Guaranty Bank of this city is kindly taking care of the money being handed to us at this Conference. We thank them both.

Respectfully submitted,

REPORT OF WOMAN'S SOCIETY OF CHRISTIAN SERVICE

Under the constitution and law of the Methodist Church, all of the interests and activities of women in the church are included

in the work of the Woman's Society of Christian Service. The whole program heads up in the Woman's Division of Christian Service of the General Board of Missions and Church Extension. In between the local auxiliaries and the General Board there is further provision for District, Conference and Jurisdiction Auxiliary Societies.

The West Virginia Conference Woman's Society of Christian Service of the Methodist Church was organized in Huntington in October 1940. There were 285 charter societies reported with a membership of 17,892. The balance of the year 1940 was spent in organization work. Local societies, thirteen district societies and the Northeastern Jurisdictional Society were perfected during that quarter. Early in January the Conference Executive Committee met in Clarksburg to plan for the year's work. A budget based on the giving to missions of an eleven former organizations for the previous year amounting to \$65,000 was adopted. At the end of the second quarter, June 30, 1941, \$28,000 had been sent to the Woman's Division to promote the Missionary program at home and abroad. This does not take into consideration the amount of money raised and spent on the local church, which is a much larger sum. We, also, had reported at the end of the second quarter of the year 506 Societies with a membership of 21,049. This is not an accurate report of membership as a number of societies failed to report.

While cultivation and organization of new societies has been our chief objective this year, every department of our great organization has been active. Special emphasis has been placed on Missionary Education. Study classes have been held in a large majority of our societies. We cooperated with the Board of Missions and Church Extension, Board of Ministerial Training and Board of Education in the planning and promoting of the Pastors and Workers School held at Buckhannon, W. Va. in June. Mrs. H. C. Leonard, of Philadelphia, Secretary of Missionary Education of the Northeastern Jurisdiction taught the course in Missionary Education on CHRISTIANS AND A WORLD ORDER, which was attended by 66 women. We also, cooperated in the training camps for Youth and Children's Workers. Delegates were sent to each of these schools. A training camp for young girls was held at Salt Rock, W. Va., where 53 girls were registered.

Our Methodist students in various colleges have received Christian Literature and Program materials. The Conference provides a scholarship for a young woman in Scarritt College, who is preparing for full time work. An active campaign for new subscriptions to the Methodist Woman and World Outlook and a wider use of Christian Literature has been promoted.

Wesleyan Service Guilds are being organized throughout the Conference. These guilds are for employed women, that they may share in this great organization.

We are proud of our work among the underprivileged classes within the boundaries of our Conference. Seven Community Centers fully equipped with deaconesses and home missionaries are

being operated in the mining and rural sections of our state. You will find no better work nor finer workers anywhere than in our own West Virginia Conference. Necessary supplies are sent by local Societies to these institutions and others under the supervision of the Woman's Division.

A series of District meetings have just been completed where special emphasis was placed on the new plans for Youth and Children's work. Miss Ruth Ester Wheaton, of New York, field work of the Woman's Division was secured to be the speaker at those meetings. She brought inspiration as well as information to the women of the Conference.

Our aim is a Woman's Society of Christian Service in every Church and every woman a member of the society. The requirements for membership are prayer, service and an offering from every woman to the total budget of the society. The total budget consists of an offering to the Conference budget for Missions and an offering to the local budget of the organization for local use. Any society in the local church may become a Woman's Society of Christian Service by making and paying a pledge to the Conference Woman's Society of Christian Service.

Why do we Methodist Women have such a program? In order that we may help make Jesus Christ known, loved, trusted and obeyed everywhere — in every human relationship — beginning in the life of every member of the organization — the hearts and lives of every church.

REPORT OF THE BOARD OF ADMINISTRATION OF THE SUSTENTATION FUND

Your board is pleased to report that collections for sustentation have totaled approximately \$8,000 against the requirements of 56 claimants. This almost reaches our expectancy. But we are unhappy to observe that the pastors of this Conference reported about \$700 more of sustentation money than was actually turned in to the Conference Treasurer. And although no accurate check has been made at this date it is certain that a small percentage of persons have not paid their sustentation. If the seven hundred odd dollars reported had been actually paid, and if the delinquents had met their obligations as did 90% of the Conference, your board would have been almost altogether self-sufficient, we would have made no substantial call on the Board of Missions for additional funds and that Board would have had more money to distribute to places which show signs of promise than the District Superintendents felt it was wise to ask for under the circumstances.

In view of these facts:

First: Urge every pastor and charge to meet their obligation in full; and in order to achieve that end we ask the District Superintendent to maintain a very close check on these payments during the coming year.

Second: Your Board of Administration of the Sustentation Fund proposes the following plan of Sustentation under Paragraphs 810-813 of the 1940 Discipline.

BE IT RESOLVED:

1. That the West Virginia Annual Conference of the Methodist Church establish minimum salaries in two categories: (1) Traveling preachers of our conference in the Full Connection. (2) Preachers on Trial and Accepted Supplies.

2. That the minimum salary for the first category be \$750.00 and for the second category \$600.00.

3. That the Conference raise a Sustentation Fund by (1) apportionments to the Pastoral Charges consisting of 1% of their apportionments for the pastor's cash salary and (2) by an equitable apportionment of 1% "on that part of the salaries of all Effective

Ministerial members" of the Conference "above the minimum salary fixed." And the Commission on World Service and Finance shall allot that percentage of the Conference Benevolences which shall be necessary to reach the minimum.

4. That the above sections be modified by the following provisions: (1) No beneficiary of the plan may receive more than \$300.00 per year, except that (in order to encourage all charges eventually to become self-supporting) in the case of pastors who receive a total of \$500.00 as salary the Sustentation Fund may, when able, add one dollar to each two additional dollars which the charge pays until the minimum is reached. (2) The pastor of no charge lowering the pastor's salary in any year shall be eligible for aid from the Sustentation Fund the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made. (3) Pastors of charges failing to pay as much or more on ministerial support or as much or more on Benevolent acceptance as was paid the previous year shall not be eligible for aid in the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made. (4) No one shall become a claimant on this Fund who has other equal means of support except such as may be furnished by the Board of Missions and Church Extension and the Board of Administration, shall be informed in writing of such cases by the District Superintendent.

5. That conveniently spaced disbursements of this fund begin with this Conference year.

6. That the District Superintendents be urged to hasten all practicable consolidations of church within charges in order to make possible the independent payment of the minimum salary adopted.

7. That this fund shall be made the same as an item of ministerial support and the District Superintendents shall be charged with responsibility for supervising the collection of the prescribed percentage along with all other such items.

8. Remittances shall be made to the Conference Treasurer and disbursements shall be made by the Conference Treasurer on the authorization of the Board of Administration.

9. That the Annual Conference Board of Administration of the Sustentation Fund be set up. This Board shall be nominated, quadrennially, by the Cabinet and elected by the Conference and shall consist of five clerical and three lay members and shall adopt their own rules of procedure so long as they are in harmony with this total plan.

DISTRICT SUPERINTENDENT'S REPORT OF THE WEST VIRGINIA CONFERENCE

Bishop Straughn and Members of the Conference:

It is with gratitude to God for all his goodness and with appreciation of all the consideration and courtesy so graciously manifested by the ministers and laymen of our churches, that we, your servants of the Church, submit this, the report of our stewardship, for the Conference year now closing.

We wish to express our sincere appreciation of the leadership of our resident and presiding Bishop, Bishop James H. Straughn. Some of us will remember how in the Uniting Conference we heard one who is a writer and teacher of history say that in the future no complete history of the world's great religious movements could be written without giving ample space to the achievements of the three great leaders who so successfully guided the three larger Methodist denominations of our country to the port of Unification.

During the year one member of Bishop Straughn's West Virginia cabinet has gone up to meet the great Superintendent of us all, and those of us, who through the years have been touched and helped by the gifts and graces of Walter M. Given, know that he made a good report.

With the name of Walter M. Given we would record the names of others of our number who during this Conference year have climbed on ahead of us and have joined the Church triumphant before the throne of God:

B. W. Folsom	B. S. Hamrick	J. A. Shelby
Frank McCamic	H. J. Matheny	F. P. Dunbar
E. D. Hanna	Gregory Bleakley	W. I. Canter
A. W. Lowe	E. S. Withers	J. H. Arbogast
Z. B. Bowen	Howard Severe	A. M. Martin

Here we would add the names of those who while living adorned with their graciousness and goodness the parsonage home of our Conference:

Mrs. Wesley Hammond	Mrs. R. R. Little	Mrs. A. B. Moore
Mrs. R. L. Martin	Mrs. H. M. Strader	Mrs. C. E. Goodwin
Mrs. H. L. Poling	Mrs. J. M. Grose	Mrs. J. N. Herald
Mrs. A. R. Bennett	Mrs. J. H. Carson	
Mrs. F. V. Arnett	Mrs. H. B. Hewlett	

Not by the desire of the ministers and laymen of their districts, but by the law of the church, four members of the cabinet, Dr. J. E. Wells, Dr. R. D. Dunn, Dr. M. C. Miles and Dr. J. B. F. Yoak, Jr., return to the pastorate at the close of this Conference.

Six years ago eleven Methodist Annual Conferences had churches in West Virginia. As a result of these adjustments we had eighteen hundred and twenty-four churches, making even with thirteen districts, an average of one hundred and forty churches to a district.

1931! 1941! What are ten years in the history of the Christian Church? A moment in the age-long struggle between the

Kingdom of God and the realm of darkness and wrong. Yet, there are decades that count for more than centuries. And it has been your privilege and mine to live and labor in this epochal decade of Christian history.

CHURCH PROPERTY.

Building projects begun this year: Twenty-one Churches, nine parsonages and fifteen additional church units. Twenty-seven of these building projects have been completed, with a value of \$84,325. Improvements on church property total \$170,325. Payments on indebtedness have been reported to the amount of \$136,772. The total indebtedness remaining is \$363,806. These figures reveal some terrific problems. The encouraging aspect of this, however, is that in this year we raised for new buildings, improvements and payments on our debts a sum larger than that of our total indebtedness.

PASTOR'S SALARIES.

We honor the faithful pastors who out of their own small salaries have made their proportional payments to our Conference Sustentation Fund. Need for the establishment of this plan of Minimum Support for our pastors is clearly shown by the statistics of our Record and Year Book. We are glad to report but few reductions in salaries this year, and that seventy-one charges have increased pastor's salaries to a total increase of \$14,230.

WORLD SERVICE.

We appreciate the leadership of Bishop Straughn in the Methodist Emergency Campaign, and we are deeply grateful to the pastors and their people for a response on the Day of Compassion that went beyond our Conference goal, with a total gift of nearly \$24,000. In this campaign our own Area carried the banner at the head of the Methodist procession.

A late report shows our World Service giving eight hundred and seventy-eight dollars behind our giving of last Conference year. We are confident, however, that even before the last charge report comes trailing in we shall have registered a gain over last year in World Service giving.

CHRISTIAN EDUCATION.

Our Colleges and the Wesley Foundation: Morris Harvey College has experienced another year of unusual growth. The total gross enrollment for the year reached two thousand one hundred and three. The College is living within its income and the architect has drawn plans for a building program on the campus opposite the State Capitol. Too much praise cannot be given to the guiding genius of President Leonard L. Riggleman.

Ten years ago Dr. Roy McCuskey became President of West Virginia Wesleyan College. In the first year of his administration the regular college enrollment was three hundred and fifty-nine. In the last year the enrollment was four hundred and sixty-five.

After a notable administration Dr. McCuskey has resigned in order to resume the work of the pastorate. Until his successor can be found, Dr. Wallace B. Fleming, former President of West Vir-

ginia Wesleyan College and Baker University is serving as acting President.

Under the leadership of its capable Director, the Rev. Ward Harvey, the Wesley Foundation has enjoyed a very successful year. This year the Church School Class for University Students, the Wesley League, the Church Services and week-day activities are unusually well attended. The Methodist Church makes a wise investment in the Wesley Foundation at our State University.

Our Conference program of Christian Education, under the guidance of Rev. Harvey C. Porter, Mrs. H. M. Wade and Mr. A. Argyle Knight, has been one of real achievement. High praise is also due the efficient and earnest members of our district staffs.

CHURCH SCHOOL.

The indications are that at least in some sections of our Conference there may be serious losses in our Church School attendance. No other matter should receive more attention than this one. The fact that the youth population of the average community is declining only emphasizes the need in each school of a year-round program of following up absentees and enlisting new pupils.

Read again John Wesley's Journals and you will note that when he visited his people he put terrific emphasis upon two things, Personal Evangelism and the Religious Care of the Children, and for the neglect of these he would accept no alibi from minister or layman.

Of John Wesley's labors in America but one thing remains his school for the religious instruction of children. That school has never ceased. It goes on today, the oldest Church School in all the World.

THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE.

Our committee of Chairman of the Jurisdictional Conference issued this statement: "By no stretch of the imagination is it possible to foresee the potential possibilities for united service awaiting Methodist women." They are challenged to a three-fold task.

1. The girding of the local church with strength and the establishment of Christian ideals in the community.
2. The bringing of America to Christ.
3. The courageous facing of the challenge of the world's deep need.

To this end we sound a clarion call to every Methodist Woman to become a member of the Woman's Society of Christian Service and to invest her personality, prayers and possessions in this new Kingdom enterprise.

LAY ACTIVITIES.

We would voice our appreciation of the splendid work of our Conference, District and Sub-District Leaders of Lay Activities. The message of these men and the magnificent way in which they have responded to the many calls upon their time and talents should be an inspiration to Methodist men throughout our Conference. These leaders of Lay Activities were particularly charged with the promotion of Christian Stewardship. Our West Virginia Conference leaders have been true to this trust. We should, as the pastors of

these laymen, more frequently preach upon the subject of Christian Stewardship and Man's partnership with God.

EVANGELISM.

The fact of our having been keenly disappointed in some types of evangelism should lead us to an intensive study of the better methods of evangelism. Our people are apt to feel that even a poor kind of evangelism is better than no program of evangelism, and that is especially true if our church has had a net loss in members year after year. There should be high values in special campaigns that bring to focus and climax a program of evangelism but there is a false implication in the evangelism that becomes the temporary expedient of two weeks of the year instead of a continuous effort for the winning of men to Christ and to membership in His Church.

Your district Superintendents bring to your attention and heartily endorse the fine leadership of our own conference evangelist, the Rev. Carl Looney.

PERIODICALS.

John Wesley made it clear that he wanted every Methodist to have a vital religious experience, a thorough knowledge of the Church, its organization and activities, and an intelligent understanding of the times.

The heart of John Wesley would be stirred by a full report of the reading of our Methodist people in these days. One district reports that the Christian Advocate goes into eleven hundred and eighty-nine of its homes. Incomplete reports list over sixty-six hundred subscribers in the Conference, with seventeen hundred subscribers to the World Outlook and twenty-six hundred subscribers to the Methodist Women.

May God keep us from accepting the idea that the principles of Christ's gospel are nice theories to be used temporarily in peaceful times, but that for a permanent policy of national greatness we must place our reliance in force and armed might.

In the midst of mighty Rome's far-flung conquests, John, on Patmos, saw the triumphant Christ in the midst of the lamps of the Churches. This eternal conqueror seems not to be interested in the boasting might of marching armies. He is interested in living His life in and through His Church. There is His hope of bringing the kingdoms of this world to become the kingdoms of our God and His Christ.

Note how John saw that even when the Church fails its living Lord and gives Him no place in its life He does not turn to some other agency. He stands and knocks at the door of the Church. He counts upon His Church. He must live His Life in and through His Church. With Christ as its life the Church can change the world.

It was of a church that Christ said, "Behold, I stand at the door and knock, if any man will open the door I will come in." Will you be that man?

PUBLICATION OF CONFERENCE PAPER

The Committee on Publication of a Conference Paper has been charged by the Cabinet to bring to the Annual Conference Session "something concrete in the way of a recommendation." The Committee has studied the questions of the need and the practicability of a Conference Publication as best it could in the brief period of the month since it was appointed by the Cabinet, as ordered by the 1941 Annual Conference.

Editors and publishers of twelve Conference Papers and of several state-wide publications of other Churches have been contacted and have given valuable information. Several publishers have submitted tentative bids. But the Committee has not had time to go into all the ramifications involved in an attempt to launch a periodical.

The Committee agrees that a publicity medium for strictly Conference matters is desirable. Yet it would not like to jeopardize the future of a Conference paper by recommending a hasty launching of the same. Also, it desires to further investigate what may be done to safeguard the circulation of the Christian Advocate, so that the two publications may serve their purposes without hindrance.

First and foremost among the reasons for attempting to have some type of Conference publication is the solidifying influence of a publication that can bring into consideration all the many matters that are of interest to a heterogeneous group of Methodists being welded from parts of nine Conferences into one. No finer medium for bringing real unity quickly can be found than in the columns of a Conference Paper.

In the second place, the need is brought to a focus in the several attempts to secure a medium for matters of great interest to the Conference and of little or no interest to the jurisdiction as a whole: Namely; The Christian Education Bulletin, nine numbers of which were printed last year and the several pieces of material sponsoring Summer Conferences from the Board of Education; the numerous communications from other Conference-wide Boards and Commissions; the Conference program which was distributed only at the seat of the Conference, mailing costs being prohibitive; the numerous communications separately mimeographed or printed concerning District matters; and the more recent plan for creating World Service giving publicity. In addition there are many other publicity needs not being fulfilled in regard to the work of other agencies.

Thirdly, there is an expressed desire for the personal touch with others throughout the Conference through items which properly have no place in the jurisdictional news for the Christian Advocate.

In the fourth place, there is certainly need for a medium for crystallizing opinions on Conference matters in the interim between Conferences.

The Committee is confronted by some obstacles which prevent the recommendation of the establishment of a paper in the immediate future, namely: 1. The short time which was allowed between the time of appointment and the convening of the Annual Conference, eliminating the possibility of a thoroughgoing investigation.

2. The conviction that sound support cannot be secured without the opportunity to make a thorough study of the situation.

The Committee, therefore, RECOMMENDS;

1. That it be allowed to continue its research for the period of the ensuing Conference year.

2. That the Conference cooperate more closely with the editor of the Christian Advocate in publishing matters of special interest in the jurisdictional section of the National Paper.

3. That the Committee be allowed to secure financial support from any Boards, Commissions or Committees who may be willing to contribute to the enterprise for the purpose of making a careful study of the matter and for editing a single sample edition of a possible paper, centering in the presentation of the various Conference interests and a Conference program, just prior to the next Annual Conference in order that there might be presented to the Conference something upon which to vote its wishes.

FORMATION OF HISTORICAL SOCIETY

Most of the deeds our fathers performed in the years of the past, relative to our State and Nation, were made of record, preserved and now make up the written history of our country.

But the Methodist Church has not fared so well, for many pastors and Church officials have failed to make or keep a permanent record, and such Churches are now without permanent records, and with the passing of our fathers even the traditional history of such Churches will soon be lost and forgotten.

On Formation of Historical Society, your Committee believes that there are men and women still living who can recall and report much valuable traditional Church history that has not been preserved in written or tangible form. This historical material ought, by all means, to be assembled before it is too late and put in permanent form so as to save it for the Church and future generations.

Therefore, we recommend that every member of our Conference assigned to a pastoral charge, devote one Sunday each year to Church history; that he give particular care and attention to making and keeping permanent Church records, and to impress upon all his official members the great importance of permanently preserving their Church records.

We further recommend that early in next Conference year every pastor appoint someone to write a history of the Church, or Churches on his charge, and have same printed in pamphlet form.

We further recommend that at this session of the Conference, a Methodist Historical Society be formed, and the Conference elect

a Board of Trustees for the Society consisting of one member from each District of the Conference.

HARVEY W. HARMER, Chairman.

CONFERENCE ENTERTAINMENT

We, your Committee on resolutions, desire to present the following report:

We express our deep appreciation:

1. To Bishop James H. Straughn for his Christian spirit, his inspiring devotional addresses and his efficient administration of the business of the Conference.

2. To Dr. M. C. Miles, General Chairman and to, the people of Huntington and vicinity who graciously responded to the call of the entertainment Committee by opening their homes to the ministers, delegates and visitors.

3. To the Local Committee on arrangements, headed by Dr. Rolla S. Kenaston, for their efforts in providing for our entertainment, and for the fine music furnished by the musicians and church choirs of the city.

4. To Dr. John L. Wolfe, chairman of the Program Committee, and his associates, and to the exceptional group of spiritual leaders who have been with us this week.

5. To the city of Huntington for the cordial way it has received us and made our visit a pleasure.

6. To the City Officials and the Chamber of Commerce who have cooperated with the local committee over a period of weeks.

7. To the local newspaper for their unusually accurate and unbiased coverage of the Conference.

8. To the various business establishments who provided equipment and facilities for the convenience of the Conference.

9. To the Huntington Radio for making available their broadcasting facilities for the Sunday Services.

THE COMMITTEE.

CONFERENCE EXPENSE AND ENTERTAINMENT COMMITTEE

Whereas, there was a deficit in Conference Funds last year of \$2,200.00 which was borrowed and paid out of this year's funds, and it seems that there would be a similar deficit this year in the budget of Entertainment and Conference Expense.

We recommend the amount of \$2,200.00 be deducted this year from the total Conference Benevolences before the distribution of funds are made.

M. S. COLLINS, Chairman.

A. W. COX, Secretary.

BOARD OF TEMPERANCE

It may be we have no greater evil which has caused more destruction among the people of our state and nation than the use of beverage alcohol in its effects upon the moral, economic and health

condition of our people; and no words we can use can convey an adequate description of the sorrow and moral degradation caused by its use.

Our Methodist Church has established in the heart of our Nation's Capital, Washington, D. C. a Board of Temperance, whose duties are set forth in our Methodist Discipline, (Par. 1191-2: Sec. 1.) and no more trenchant statement has found expression in any report on the subject of Temperance than the section on "Temperance" in the "Episcopal address" before the last General Conference in Atlantic City. As a Church we have a specific responsibility in the matter of temperance, local, state and national.

We are not unmindful of the cooperation of the Woman's Christian Temperance Union, the Anti-Saloon League and other cooperating organizations and religious groups, and heartily endorse their program, praying that all temperance efforts may be so channeled that the total result will be the drying up of this cesspool of iniquity among us. The whole objective of the Church is so diametrically opposed to the consequences of beverage alcohol as to leave no room for any thing between them but constant conflict, therefore, compromise and reconciliation is impossible. The vile record of the old saloon led to the adoption of our state prohibition amendment which went into effect July 1, 1914 and blessed the state or twenty years with prosperity and happiness, then through the moral lapse of our people was repealed by adopting this amendment: "The Legislature shall by appropriate legislation regulate the manufacture and sale of intoxicating liquors within the limits of this state, and any law authorizing the sale of such liquors shall forbid and penalize the consumption and sale for consumption in a saloon or other public place." (Code page 2290).

The Legislature promptly passed the unconstitutional and fraudulent act which takes beer out of the category of intoxicating liquors and, therefore, outside the scope of local option provisions which apply to liquors legally intoxicating. (Code page 2129). We feel this beer law to be a disgrace to the state of West Virginia. We sincerely commend the teaching of Temperance in the Public Schools of West Virginia as provided by act of Legislature.

The state now operates about 105 liquor stores, 26 liquor agencies, selling as much as one gallon to a purchaser in one sale, the purchases may be repeated as often as desired, thus, affording an abundant supply of illegal liquor.

There are about 3500 licensed beer saloons over the state, many of which operate 24 hours a day, 7 days a week. Many of these places use every means of enticement to unwary youth and others, both men and women, which under the law need have little or no fear of local officers exercising any control over them. Can we close our eyes to this disgraceful condition in our state? Can we see roads used for the destruction of life where the innocent suffer as well as the guilty.

We estimate that from fifty to seventy-five percent of road accidents point a guilt finger at the drinking driver.

The people of our state are spending about fifteen million dollars each year in liquor stores and about the same for beer, apart from illegal liquors sold, or about forty million yearly total.

People of West Virginia, ministers, laymen, voters, men and women wake up! You know how to elect men to office, who pass these laws and also enforce them! Let us unite every force, moral, spiritual, economic and civil to outlaw and destroy this evil or we will in turn be destroyed by it. We should unitedly urge the Commander-in-Chief of our Army and Navy by executive order to ban from the area of our Army Training Camps, both liquor and beer, as the alcohol in both is the same, differing only in quantity content, else we shall at last with other liquor emasculated armies come to grief, first in moral defeat then physical.

Therefore, be it resolved, by the West Virginia Annual Methodist Conference, First, that we pledge anew our allegiance to the course of sobriety and that we support by education and appropriate Legislation all efforts to realize the time-honored goal of abstinence for the individual and ultimately prohibition for the state and nation; and to this end we summons every preacher and congregation to diligent action. Second, Be it further resolved that the whole matter of temperances be made "As order of the day" in our next Annual Conference.

S. CHARLES JONES, Chariman.
W. R. ESKEW, Secretary.

BOARD OF HOME MISSIONS AND CHURCH EXTENSION **REPORT OF CONFERENCE MISSIONARY SECRETARY**

The Conference Missionary Secretary presents the following reports to the Board of Missions and Church Extension:

During the year I have made a conscientious effort to fulfill the duties and responsibilities devolving upon me as Conference Missionary Secretary. While one never achieves all he hopes, I feel that the year has been a profitable one. The work of missionary education and cultivation has gone forward in the Conference in a commendable way. The credit for whatever has been accomplished is due in no small part to the fine cooperation of the District Superintendents and of the splendid group of District Missionary Secretaries. In so far as I am aware every District has endeavored to promote the cause of missions as required by the Discipline under the direction and guidance of the above named leaders. District Missionary Institutes were held in every District in the Conference. In every case we found well-prepared programs and a responsive and enthusiastic people.

While it is true that considerable cultivation has been done in the Conference this year, it is also true that much more can be done. The Conference Missionary Secretary urges that each District Superintendent insist that every church organize a Church Board of Missions and Church Extension; that every pastor see that the cause of missions is emphasize in every church on the fourth Sunday, with a missionary program and offering; that every church has a School of Missions some time during the year; and that each District sponsor a program of visual education under the direction of the District Superintendent and with the cooperation of the District Missionary Secretary aiming as a goal to carry this plan of education to every church in the District.

Respectfully submitted,

(Signed) L. D. ROE,

Conference Missionary Secretary.

SECOND REPORT**TO THE MEMBERS OF THE ANNUAL CONFERENCE:**

The Board of Missions and Church Extension wishes to submit this partial report, to be identified as REPORT NUMBER TWO.

Section I.

We recommend the reappointment of Rev. L. D. Roe as Conference Missionary Secretary.

Section II.

First; that if after a charge has received missionary money for five consecutive years and has made no progress in the amount of offerings for the benevolences, or increase in pastoral support, that it then must be considered a special case, and no appropriation be made except by a 2-3 vote of the Board.

Second; that charges paying a salary of \$1200, or more, be not granted a missionary appropriation unless it is clearly shown that it is a case of special merit, and then only by a 2-3 vote of the Board.

Third; that the District Superintendents be urged to consider in their askings new territory that is more strictly missionary and which has no church to minister to its spiritual needs, giving to such places a larger amount of help, instead of giving to a large number of established charges small sums.

The Board requests that an itemized statement by districts and charges of the final askings of the District Superintendents as approved by this Board and the Conference be printed in the journal.

2. That the apportionment to the charges for the support of Conference Claimants during the Conference year 1941-42 and continuing thereafter until the Conference shall order otherwise shall be an amount equivalent to 10% of the cash salary paid to the pastor.
3. That the dates of the quarterly payments to the Conference Claimants shall be October 1, January 1, April 1 and July 1.

VII. MEMOIRS—TRIBUTES**BENJAMIN WILBERT FOLSOM**

Benjamin Wilbert Folsom was born at Sheffield, Iowa, Jan. 6, 1875, the son of George W. and Caroline Folsom. As a young man he taught in the public schools in Iowa and Kansas, and received his Master of Arts degree from Wisconsin University.

During his student days at Southwestern he felt a definite call to the ministry, and following in the steps of his father and grandfather, began this ministry by serving student charges. After graduation he served pastorates in Kansas until call to the chair of speech at Missouri Wesleyan College at Cameron, Missouri, where he taught for several years. Later he taught at Dickinson College, Carlisle, Pa., and at West Virginia Wesleyan College, Buckhannon, W. Va.

For the past several years he served pastorates in the West Virginia Conference, the last being at Kitzmiller, Md., where he had been for one year at the time of his death, which occurred in the Clinic Hospital, Philippi, October 24, 1940.

He is survived by his widow, Eva M. Folsom, two sons, Lowell M. Folsom and L. Wendell Folsom, both of Morgantown, and a daughter, Alice M. Folsom, of Sparta, Wis. and one granddaughter, Joanne Folsom.

Funeral services were conducted at Aurora, W. Va., October 26, in charge of District Superintendent C. E. Brandt. The sermon was preached by Rev. James P. Hutchinson, a former student of Dr. Folsom's. Others having part in the service were Dr. S. Charles Jones and Rev. E. J. Johnson of Aurora. Burial was made in the cemetery at Aurora.

BALLARD SHERMAN HAMRICK

Rev. Ballard Sherman Hamrick was born August 12, 1872, in Webster Springs, W. Va. He was the son of B. F. and Martha J. Hamrick, prominent farmers in that county. He grew to manhood on his father's farm, and after the death of his father continued for some time on the old home place. He attended the public schools of the community, and in 1896 started teaching school, and continued in that profession for some years.

February 5, 1899, he was united in marriage to Miss Mary Gregory and in the same year moved to Buckhannon and entered the Conference Seminary, and for four years was a student in that school, working in preparation for the ministry. He was licensed to preach in the summer of 1904, and in the fall of the same year joined the West Virginia Conference; was ordained a deacon in 1896 and an elder in 1908, and continued in the effective relation in the Conference until the session of 1940, when, due to ill health, he took the retired relation, having spent thirty-six years in the active ministry.

He died in the Ohio Valley General Hospital, Wheeling, W. Va. October 24, 1940. He leaves a wife, two sons and three daughters. The oldest son, Clifford, was a lieutenant in the United States Navy,

and died in San Diego, Cal., one month after the decease of his father. Carl is a business man in Washington, D. C. Estie is a teacher in Wheeling. Dorsie is the wife of D. S. Wass of Harrisville and Theresa lives in Washnigton, D. C., where she is employed in Government Service.

In the going of Brother Hamrick the home loses fond father and husband, the Conference a minister true in the largest sense to his calling.

JAMES ALFRED SELBY

James Alfred Selby, D. D. was born near Easton, in Monongalia County, W. Va., April 17, 1865, son of William and Sophia Selby. In August 1887 he attended the Annual Conference of the Methodist Protestant Church held at Johnstown, W. Va. He was received into probationary membership of the Conference and recommended as a suitable person to attend the Theological Seminary at Westminster, Md. He graduated from the Seminary in May 1889 and was ordained an elder at the ensuing session of the Conference. Grenville College in Tennessee conferred upon him the honorary degree of Doctor of Divinity, in June 1904.

The first nineteen years of his ministry were served in the Muskingum Conference in Ohio. He served three pastorates during the time; Wellsville seven years, Cambridge five years and Mt. Vernon seven years. More than fourteen hundred members were added, and a new church edifice erected on each charge during his pastorate. While pastor of the Wellsville church he was united in marriage to Miss Ocy May Michaels, September 16, 1895. At the close of his first year at Mt. Vernon he was elected president of the Conference and served the full constitutional term of five years. From Mt. Vernon he returned to the West Virginia Conference and was appointed to the Parkersburg church and remained in this pastorate for nine years, or until he was elected Conference President and required to travel the District. Again he served the full constitutional term of five years. Brother Selby was a man of strong personality, a natural born leader, blessed with a rugged physique and a voice of unusual power and carrying quality. He was a forceful preacher, a splendid financier, and his service was much in demand for dedicatory and special occasions. His Conference and denomination honored him by electing him delegate to ten General Conferences, a member of the Board of Home Missions, a member of the Executive Committee and many other positions of trust and honor. He was a zealous worker in kingdom building, untiring in his labors, and could not easily condone the shirker.

Dr. Selby took a superannuated relation at the Conference held in Fairmont 1939. He departed this life at the home of his only son Harry in Parkersburg, W. Va. December 2, 1940. So closed the earthly chapter of a long and useful life of forty-nine years in the active ministry.

Truly a great man in Israel has fallen.

FRANK McCAMIC

After an illness extending over a period of three months, Frank McCamic, a member of the West Virginia Annual Conference for twenty-two years, died in a hospital in Parkersburg. He was a minister faithful to every trust committed to his care.

Brother McCamic did not enter the Conference early in life, but did come to the work of the ministry with a good understanding of what is required to prove one's self efficient in this calling, he was an acceptable preacher, an untiring worker, and through his labors many were added to the churches he served.

Never having married, his sister was his housekeeper during most of the years of his ministry.

HOMER J. METHENY

The subject of this sketch was born in Kanawha County, near Charleston, W. Va., September 7, 1874, the son of a Methodist minister, who was also a member of the West Virginia Annual Conference of the Methodist Episcopal Church. On May 28, 1901, he was united in marriage to Miss Mollie Gragoo of Marion County, W. Va. To this union one child was born, now Mrs. L. R. Rohr of Lewisville, Ohio. One brother Rev. P. W. Metheny, also a member of the West Virginia Conference, survives.

Brother Metheny entered the West Virginia Annual Conference at the session of 1902, but after twelve years in the effective ranks of the ministry he was compelled to take the supernumerary relation, because of ill health, and from that time till his death his health was such as to make it impossible to assume the effective relation in the Conference. For some years he lived near Philadelphia, but during the later years had his residence in Pine Grove, where he was as active in the affairs of the church as declining health would permit.

His death occurred at his home in Pine Grove, January 11, 1941, after suffering a cerebral hemorrhage.

Beside his widow and daughter named above, he is also survived by three grandchildren.

Thus we make this brief record of the earthly journey of one of the Lord's noble ministers, who in early life gave promise of long years and splendid service, but who was denied much of his life's ambition because of a frail body. But the influence of these years will long live in the lives of many whom he influenced for the Christian life.

REV. FLOYD P. DUNBAR

Rev. Floyd P. Dunbar slipped away from those who loved him to his eternal home on January 20, 1941, after a short illness of pneumonia.

He was born at Charleston, West Virginia, the son of Samuel and Martha Dunbar. He was licensed to preach at the age of 18

years, and was in active service for a period of 15 years. At the end of which time he was forced to retire because of ill health. However his influence did not cease at the close of his active ministry. He was a great inspiration and help in the local churches, and although his voice is silent here, his influence will live on in the lives of those who knew him.

He was married December 25, 1888, to Alice McCutcheon. She survives him; together with three sons: Iliff, Otis and Jacob, and two daughters: Pansy and Alice.

He became a member of the West Virginia Conference in 1893, and continued a member until his death.

Funeral services were held from the Mt. William Church near his home, conducted by the Rev. Virgil Conont and burial was made in the Mt. William Cemetery.

What was his creed?

I do not know his creed, I only know
That here below, he walked the common road
And lifted many a load, lightened the task,
Brightened the day for others toiling on a weary way:
This, his only need; I do not know his creed.

What was his creed? I never heard him speak
Of visions rapturous, Of Alpine peak
Of doctrine, dogma, new or old;
But this I know, he was forever bold
To stand alone, to face the challenge of each day,
And live the truth, so far as he could see—
The truth that evermore makes free.

E. D. HANNA

On January 24, 1941, at the age of 82, Rev. Eldridge D. Hanna passed from labor to reward. He was born in Lewisburg, W. Va., December 12, 1858. In the year 1892 he was united in marriage to Miss Edith Lackey, and to this union five children were born, all of whom, with the widow, survive.

Brother Hanna joined the West Virginia Annual Conference at the session of 1889, and continued in the effective relation twenty years, and soon moved from West Virginia to Delaware, Ohio where the years of his retirement were spent. He was a graduate of Ohio Wesleyan University. As a linguist he had few equals in the Methodist ministry. This was manifest in the delivery of sermons and addresses. His fine culture was much in evidence, though unassumed, in all his contacts with life.

Beside the several pastoral charges he served in the West Virginia Conference, he served part of one year as Presiding Elder of the Huntington District, filling out the term left vacant by the death of Rev. N. B. Johnson.

GREGORY BLEAKLEY

Gregory Bleakley was born November 2, 1859 in Killelea, County of Armaugh, Ireland, the son of William and Eleanor Bleakley, and passed away at his home in Mt. Lake Park, Maryland, on Sunday, March 9, 1941, at the age of 81 years. Funeral services were held March 12th. at the Methodist church in Mt. Lake Park, a church formerly served by Mr. Bleakley. Immediate members of his surviving family are his wife, Blanche Gillespie Bleakley, and one son, Gregory.

At the age of fifteen years Mr. Bleakley received the call of God to enter the Christian Ministry. After completing his public school work in Ireland, he attended East Keswick College near Leeds, England. The Methodist Church licensed him to preach during the great revival that swept England at that time. Somewhat later he answered the call to come to the United States. He became a member of the West Virginia Conference of the Methodist Episcopal Church, being admitted to the Conference on trial and ordained in the fall of 1888 under the local preachers' rule.

During his active ministry Brother Bleakley served fourteen charges, was Conference Statistician for a number of years, and served on several committees. He retired in 1932 and moved into his home at Mt. Lake Park, Maryland, keeping up his work by serving as supply pastor at nearby Wesley Chapel, and contributing in many ways to the life of his community.

Mr. Bleakley was a great lover of God's work and loved to preach it. He committed much of it to memory and could use "proof texts" most appropriately for all its great truth in his preaching. He was a hard worker and gladly gave all his time to the work of the ministry. His life was an epitome of living for the Kingdom of God. His prayers were frequent, and his devotion to all that pertained to the building of the Kingdom was well-known by the various churches he served.

The writer of this article knew Mr. Bleakley in his college days, and he can truthfully say that Gregory Bleakley was a man of God and his only ambition was to glorify God in his body and spirit, which were His.

WILLIAM ISAAC CANTER, D. D.

W. I. Canter was born in Monteray, Virginia, June 11, 1869, the son of Rev. John W. and Martha Gammon Canter. His father was an honored member of the Baltimore Conference of the M. E. Church, South. He came of good Methodist stock, and of a family who, with him, gave to the Church and to the world many years of faithful and efficient ministry.

His scholastic training included some time spent in Washington and Lee University, Lexington, Virginia, and special studies at the West Virginia University.

In 1887 he was licensed to preach and came immediately to serve as supply in the Western Virginia Conference; he was admitted

into the Conference at the following session in 1888, and served with uniform efficiency and acceptability in every place to which the Church assigned him, as Pastor of some of the leading Churches, Presiding Elder, Editor and Conference Secretary.

His last pastorate was in Gassaway where, after months of suffering, he laid aside the tasks he had so long and so well performed, and slipped through the vale into that brighter clime, on March 15, 1941, to be forever with his Lord. His body was laid to rest in the I. O. O. F. Cemetery in Clarksburg, W. Va., after the funeral services in St. Paul's Church, which he had labored so zealously to build and which he loved so much. The services were in charge of the Pastor, Rev. H. S. Myerly, assisted by Rev. D. Ralph Dunn, Dr. Leonard L. Riggleman and Rev. Arden P. Keyser.

He leaves to mourn their loss the wife of his youth, Georgia McAtee Canter, four children and six grandchildren.

Faithful to every trust, constant and true in all his friendships, beautiful and noble in his Christian character, he walked down the years of an unusually fruitful ministry, in conscious companionship with his Divine Lord, whom he so faithfully served.

W. L. Reid.

WALTER MAY GIVEN

Men build themselves into enterprises, organizations and institutions, and then pass on, trusting to other hands and hearts their life interests. Rare and fortunate is the man who channels his life in harmony with the way and purpose of the Ruler of the universe.

Dr. Given seemed to find that happy relationship with the Eternal that enabled him to walk with feet of clay and yet not lose his sense of direction. The forces of righteousness lost a strong ally when he was called in from the outposts of the Kingdom of God where for forty years he had been proclaiming the good news.

He prepared himself in early life for constructive service, graduating from Morris-Harvey College in 1901, and later pursuing his studies at Vanderbilt University. However, he was not satisfied with his formal training but was a constant student throughout his ministry. He was honored by his Alma Mater with an honorary degree of Doctor of Divinity in 1925. He was honored many times by his church, serving as a member of several General Conferences and on General Boards. He was also prominent in civic affairs and moral reforms. His work as a member of Conference included pastorates, Professor of Bible at Morris Harvey College, Presiding Elder in the former Methodist Episcopal Church, South and District Superintendent in the Methodist Church, which position he held at the time of his death in Charleston April 1, 1941.

He was a native West Virginian, born in Braxton County, July 11, 1879. He married Leonore Wilson, November 9, 1903. She and his three children survive him.

In carrying a brief statement in the Minutes of the Annual Conference we are commending his manner of life, his loyalty to

the work of the Kingdom, and in perpetuating his memory, we are pledging ourselves to continue his good work until the works of his hands have been established.

ARTHUR W. LOWE

Once more since the adjournment of the last session of Conference the silver cord has been loosed, the golden bowl broken and the pitcher broken at the fountain in the death of Rev. Arthur Lowe, a minister in the former Methodist Protestant Church.

He was the son of Pleasant and Emma J. (Dean) Lowe of Upshur County, West Virginia, and was born Januray 29, 1892.

His wife, Miss Anna Grace Lowe was a daughter of John C. and Roxie Benson.

He was received into the membership of the Mt. Zion Class of the Upshur Circuit in 1916 and was received into probationary membership of the West Virginia Conference of the Methodist Protestant Church the same year. He served Greenbrier, Huntersville, Reedsville, Watson, Roanoke, Spencer, Pullman and Leroy Circuits and in 1932 was appointed pastor of his home circuit. In the second year of his pastorate of this, the Upshur Circuit, he was stricken with Paralysis and compelled to give up the work in which he had been a diligent and faithful servant of his Lord and Master. He was a good preacher of the Word of Truth and Life and a beloved shepherd of the flock which he was from time to time appointed to oversee.

Strong as he seemed to be there were limitations to his strength and powers of endurance to which he perhaps gave unsufficient heed in his zeal to be a winner of souls and a Kingdom Builder. The revivals held on each charge usually required several months of almost continuous labor.

It is not likely that it ever occurred to him that he might present a brief message, give a few words of exhortation, call for a closing song and close the service in time to attend some social function or entertainment.

After long weeks and months of affliction and suffering he is now at rest for "there remaineth therefore a rest to the people of God."

ENOCH SCOTT WITHERS

The subject of this sketch, Rev. Enoch Scott Withers, was born March 3, 1859, in Fort Worth, Texas, but spent the greater part of his life in West Virginia. He was converted in early young manhood, and soon realized his life work was to be the ministry of the Gospel. He joined the West Virginia Annual Conference of the Methodist Episcopal Church at the Conference session in 1887 and continued in the effective work of the ministry for thirty-one years.

In the early part of his ministry he was united in marriage to Miss Bertie Crooks of Lewis County. To this union one daughter was born, Mrs. Ada Frankhauser of Parkersburg, W. Va.

Brother Withers gave the best he had to give to the building of the Kingdom, work many times beyond his bodily strength. His earnestness in his work meant success wherever he served churches, many were blessed by the kind of ministry he carried on. At the Conference session of 1918, due to failing strength, he asked for and was granted the retired relation, and moved to Parkersburg where the remaining years of life were spent.

Funeral services were conducted in Parkersburg by his brother-in-law, a minister in the Protestant Episcopal Church. Interment was in a cemetery near Weston, W. Va. He is survived by his wife and daughter named above. An earnest, loyal minister of the Gospel, Brother Withers goes to his reward.

JOHN H. ARBOGAST

John H. Arbogast was born in Randolph County, near Valley Head, May 12, 1859, and departed this life at Belington, June 30, 1941, aged eighty-three years, one month and eighteen days. He entered the ministry of the former Methodist Protestant Church at Berryburg, W. Va., during the Presidency of Dr. Joseph I. Vincent. He served the following charges with remarkable success: Berryburg; four years, St. George; three years, Etam; four years, Reedsville; two years, Beverly; two years, St. George; 1 year, Blue Rock; two years, Duffy; two years, Montrose; two years, St. George; two years and Astor three years. Twenty-seven years of service in all.

He was married first in 1878 to Miss Emaline Powers, second in 1889 to Miss Mary Swick and in 1934 was married for the third time to Mrs. Mary Potts, who survives.

The later years of his life he lived in Belington where he was eminently useful in the Methodist Church. He died triumphant in the faith of his Lord. Funeral services were conducted by his Pastor, Rev. Clarence C. Durst, assisted by the District Superintendent, S. Charles Jones and William A. Hopson.

"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the further shore
Lands the voyager at last.
Father, in Thy gracious keeping
Leave we now Thy servant sleeping."

S. CHARLES JONES.

ZARA BENNETT BOWEN

On July 26, 1941, Rev. Zara Bennett Bowen, a retired minister of the Methodist Church, residing at Horner, W. Va., passed through the gates of death into the joyous life eternal. For twenty-seven years he had preached the Gospel and hundreds have been won to Christ through his ministry. His preaching was evangelistic and his ardent love for men made him a successful soul-winner. As a

pastor, he was sympathetic and kind. His understanding and brotherly interest in the spiritual welfare of those committed to his care, greatly endeared his people to him. And his efficient leadership and contagious enthusiasm always resulted in building up the Kingdom where ever he served.

Brother Bowen was born at Davistown, Pennsylvania on April 5, 1874, a son of Hutson and May (Lynch) Bowen, but when he was a small boy the family moved to Doddridge County, West Virginia, where Zara grew to manhood. On January 11, 1900 Brother Bowen married Miss Charity Sutton, of Avon, who with their seven sons and daughters mourn the loss of a devoted husband and father. Brother Bowen had a definite religious experience, and knew that on October 9, 1894 he was born again and had an abiding witness of the Holy Spirit, that he was a child of God. He united with the Pleasant Hill Methodist Protestant Church. On May 15, 1910 he was licensed to preach, and at the 1911 session of the West Virginia Conference he was received into probationary membership, and ordained an Elder in 1916. He served the Miletus, Gandeeville, Lewis, Lorentz and Vadis Charges, and his work was always constructive and progressive. "He was a good man and full of faith and the Holy Spirit."

Funeral services were held at the Fairview Church on Hackers Creek. Burial was in the Odd Fellows Cemetery near by. The Revs. O. F. Nease, H. C. McCulty, Worthy Flesher and L. E. Bee participated in the services.

I. A. BARNES.

ALPHEUS McTYEIRE MARTIN

West Virginia has produced few ministers the equal of A. M. Martin. Endowed with unusual abilities in many lines he contributed fifty-four years of service to the schools, church and state, being a teacher in the public schools at the tender age of fourteen years.

Brother Martin was born October 28, 1873 at Meadow Bluff, Greenbrier County, W. Va. He married Miss Fannie Elizabeth Holcomb in 1892 and entered the Western Virginia Conference that Fall at the age of nineteen. His Ministry in the traveling connection covered the following work. Osborne's Mill, Camden-on-Gauley, Mount Hope, Huntington; Emmanuel. Transferring to Texas, Brother Martin served pastorates at Midland, Merkel, Sweetwater, Anson and Stanford. Returning to West Virginia in 1917, Brother Martin was appointed Presiding Elder of Fairmont District. After that followed a second pastorate at Emmanuel and pastorates at Humphrey's Memorial; Charleston and Clendenin, retiring at Clendenin on account of his health in 1932.

Partly regaining his health Brother Martin entered the Insurance business. In 1934 he was elected to the House of Delegates and re-elected in 1936. In 1938 he was elected to the Senate of West Virginia.

Brother Martin was endowed with a very keen mind. He was a preacher of great ability and made a great contribution in the Evangelistic ministry. He was an able administrator as was evidenced by his splendid service as Presiding Elder. He was a financier of merit and was Commissioner of Education for the Conference, raising more than \$100,000 in one year for Morris Harvey College.

Services were conducted for Brother Martin during the session of the Annual Conference in Huntington. Scores of ministers were present and stood in a body while they sang "Must Jesus Bear The Cross Alone." His body was laid to rest in the beautiful Woodmere Cemetery in Huntington, West Virginia.

He was a good man, a loving father and husband and faithful servant of God. He will not be forgotten.

J. B. F. YOAK, JR.

HOWARD R. SEVERE

Among the supply pastors of the West Virginia Conference, and rendering efficient service for the church, none could be more sincerely devoted to the work of the church, and consecrated to the whole program of the Kingdom than the subject of this brief sketch, Rev Howard R. Severe. In the prime of life, loved by his people as pastor and preacher, he was stricken while in the discharge of his work on the Capon Bridge charge, Moorefield District, and passed to that reward awaiting such as he had earned. His going away is mourned by family, parishoners and friends.

MRS. LENORA CATHERINE ARNETT

Mrs. Lenora Catherine Arnett, wife of Rev. Forrest V. Arnett, was born at Gandyville, W. Va., October 12, 1870, and died in Elizabeth, W. Va., November 9, 1940. She was married to Rev. Forrest V. Arnett, October 10, 1893. To this union four children were born two of whom died in early childhood. One son now lives in Danville, Tenn. and the daughter, Mrs. Clara Gossett resides in Detroit, Mich.

Mrs. Arnett lived a beautiful christian life, and was a faithful pastor's wife for forty years. She not only had the satisfaction of serving faithfully as a pastor's wife, but lived to see two grandsons come to distinction in the field of education.

After funeral services in the home in Elizabeth, interment was made in the cemetery at Church Ridge, near Spencer.

MRS. HENRY B. HEWLETT

Mrs. Henry B. Hewlett, widow of Rev. Henry B. Hewlett, passed from earth to the Heavenly World, June 13, 1940. She had traveled with her husband during the years of his active ministry, spent in the former Methodist Episcopal Church, South, during the seventeen years of that ministry, and at an advanced age, ceased to live on

the date. Thus passed from earth one who had filled well the place of wife, through the years with the parsonage as her home, a co-worker with the husband as Kingdom builder.

MRS. RALPH R. LITTLE

Mrs. Ralph R. Little, widow of Rev. Ralph R. Little, whose ministry was spent in the West Virginia Conference, died October 14, 1940. After an active ministry covering a period of twenty-one years they had retired to their home in Zenith, W. Va., where Brother Little passed away in the year 1927. After the death of her husband, Mrs. Little continued to make her home at that place until the time of her death, which occurred on the date named above. Her going away called to mind the many years she spent in parsonage homes, the many and enduring friendships she had obtained, and the splendid influence that will long continue.

MRS. REBEKAH NEVITT CARSON

Mrs. Rebekah Nevitt Carson, daughter of Rev. Thomas George and Tillie Kern Nevitt, was born in a Methodist parsonage in the little town of Ingleside, Queen Anne County, Maryland, on November 6, 1885. She joined the church as a little girl of ten or eleven years, but dated her conversion at a later date, at a camp-meeting alter one summer while she was at home on vacation from Randolph-Macon Woman's College of Lynchburg, Virginia, her alma mater. From the time of that conversion she gave to the service of her Master the same enthusiasm which was characteristic of her attitude toward anything that she undertook. As a teacher, first in public schools, later in Asbury College, Wilmore, Kentucky, her first aim was always to bring her pupils into vital contact with Christ. During her young womanhood, under the teaching of Dr. Shaw and Bishop Warne of India, she made such a complete surrender of herself to Christ as resulted in an infilling of the Holy Spirit that transformed life and service.

In 1918 she became the wife of Rev. John Harry Carson. Their love was rooted in Christ, their sense of comradeship peculiarly strong, and both love and comradeship grew and deepened with the years. Together they served five churches, entering upon their ministry at the sixth, Calvary Church at Moundsville, W. Va., October 1939. Five children were born to their union; Sarah Margaret, now Mrs. Ersle Shepard of Huntington, W. Va., Edward Grose, Paul Nevitt, who lived in this world only three short years; Nellie Nevitt and Robert La Monte, at home in Moundsville.

On Saturday, November 16th. she spent a beautiful normal day, prepared her Sunday School lesson, which she hoped to be able to teach in her room the next morning; entertained a caller, played checkers with her little son; helped her high school daughter with her history lesson; worked on a Christmas gift that she was making for her married daughter; talked with her husband as he was in and out of the room. She awoke Sunday, November 17th. after a good

night's rest, feeling her usual interest in the day's program. A little exertion brought on shortness of breath and a heart attack, and by nine-thirty that morning "she was not, for God had taken her."

Besides her immediate family she left a brother, Rev. Robert Kern Nevitt of Washington, D. C., a member of the Baltimore Conference of the Methodist Church and a sister Jane Ellen Nevitt, a missionary to China, now home on a furlough.

In every phase of life Mrs. Carson left her impress, an impress that always lifted for she radiated the love of Christ. As pastor's wife, as evangelist, as counsellor and friend to those in sorrow or need, she not only won to herself hosts of loyal friends wherever she ministered but she also won to Christ and inspired to lives of full consecration many hundreds of men and women, boys and girls. Her many friends, her brother and sister, her children, her husband, though with keenest sense of irreparable loss, give thanks to our Father for her beautiful life.

"She is not dead, she is just away."

She has entered into fuller, richer life, and we who love her so deeply are still hearing her summons to "follow on."

JANE ELLEN NEVITT.

MRS. EMMA O'NEAL STRADER

Mrs. Emma O'Neal Strader was born February 8, 1858, near Philippi, Brabour County, Virginia, now West Virginia, the daughter of Lemuel and Jemima O'Neal, and died January 30, 1941.

She was united in marriage to Henry Martin Strader October 29, 1885, by Rev. C. B. Graham. Mr. Strader was licensed to preach in 1892, and in 1893 he joined the West Virginia Conference. For 33 years they lived together in Methodist parsonages, all in Buckhannon District. Upon retirement they lived in Philippi where both were members of the Methodist Church until their deaths. Her husband preceded her in death by 10 years.

She was the mother of five children, four of whom survive her, namely Mrs. Bertha B. Mahone, Mt. Vernon, Ohio; Mrs. Amy M. Stump, Buckhannon, W. Va., with whom she lived as an invalid after her husband's death and at her death; Rev. L. Hermon Strader, ordained minister in the Methodist Church, Amma, W. Va., and Oscar R. Strader, Akron, Ohio. Also nine grandchildren and two great-grandchildren survive her.

Descending from an ancestry of pioneer Methodists, Mrs. Strader joined the Criss Class of that Church in early childhood. Gently and faithfully she filled her place in home, parsonage, church and parish; cheerfully she bore affliction for many years; and placidly but surely she wended her way into the Kingdom.

Funeral services were conducted in the home of her daughter at Buckhannon by Rev. Ross Linger, pastor assisted by Dr. J. E. Wells, District Superintendent, and interment was made in the Criss Church Cemetery by the side of her husband.

L. H. STRADER.

MRS. CLAUDE E. GOODWIN

Nancy (Loar) Goodwin, a daughter of the late William and Rebecca Core Loar, was born February 27, 1885, in Monongalia County, W. Va. Thanksgiving Day 1912, she was united in marriage to Dr. Claude E. Goodwin, while he was serving as pastor at Man-nington. She was his faithful companion and helper during his pastorates of First Church; Fairmont; Seventh Ave., and First Churches; Huntington, First Church; Buckhannon and First Church, Moundsville, which church he was serving when death took him June 11, 1935. Mrs. Goodwin returned to Buckhannon with her family, purchased her home at 41 Florida Street in the hope of living long enough to see her children through college and settled in homes of their own. However, after an illness of several months, on March 17th. 1941, she slipped out of her earthly tabernacle into the "house not made with hands, eternal in the heavens."

Mrs. Goodwin was the mother of seven children, all of them living except the youngest, Esther, who died in infancy at Buckhannon. Those living are: David Livingston, Charleston, W. Va., Olin Mansell, Richmond, Va., Rev. George Dolliver, Boston, Mass., Claude Earle, Jr., Nancy Rebecca, and William Lewis, Buckhannon, W. Va. Besides these children she exercised the motherly care of two step-sons, Robert B. Goodwin and Claude Elbert Goodwin, attorneys living at Ripley, W. Va.

No pastor's wife was more appreciated by the congregation and communities where she lived than was Mrs. Goodwin. She gave herself without reservation of mind and body, to the interests of the church, and her husband's work. So energetic and capable was she, that she managed to perfectly care for her household while engaging in the many activities of the church and community. Her capacity for work became the marvel of those who knew her.

Mrs. Goodwin's religious life was characterized by deep conviction, unwavering faith, and good courage. She was not demonstrative or emotional. She moved with a steadiness of purpose. She spoke out for the right and condemned the wrong. She was never afraid to undertake anything which she felt she should do. This was not a spirit of bravado, but the result of a deep faith in the goodness of God and the power of God. To her way of thinking, nothing wrong nor unjust could come from God; He was good—too good to be unkind. Moreover, no matter what happened, God was strong enough to work something good out of the happening. She registered no complaints, not even in her illness.

Funeral services were held in First Church, Buckhannon with Dr. Roy McCuskey, Dr. Ralph C. Brown and Rev. Ross Linger in charge. The body was then taken to First Church, Morgantown, where a brief service was held with Dr. W. Sproule Boyd and Rev. Arthur E. Beckett in charge. Interment was made beside her husband and little Esther in the East Oak Grove Cemetery, Morgantown, W. Va.

MRS. KATE RICHESON BENNETT

Mrs. Kate Richeson Bennett was born April 10, 1869, in Powhatan, Ohio. She was a graduate of the first class in the Powhatan High School, attended Scio College, then taught in the public schools for six years.

She was united in marriage to Albert R. Bennett, a local preacher, November 24, 1894. To this union one son was born, John Albert. The family moved to Moundsville, W. Va., in the same year of the son's birth, where she worked in business with her husband until 1917, when he was appointed pastor of Fulton Charge in the Wheeling District. She was soon licensed as a local preacher, which license she held through the remainder of her life. Her husband subsequently served Marshall Charge one year, and at the time of her decease was in the nineteenth year of a pastorate in Benwood. On January 31, 1941, she ceased from labor to a well earned rest.

The funeral service was conducted in the parsonage in Benwood by Dr. C. G. Stater, Superintendent of the Wheeling District, assisted by several pastors of Wheeling and vicinity. Interment was made in the cemetery in Powhatan, Ohio, near the place of her birth.

MRS. NANCY ANN MOORE

Mrs. Nancy Ann Moore was born November 23, 1857, in Barbour County, West Virginia and died May 4, 1941. She married Rev. A. B. Moore September 14, 1897, and served happily and well for fifteen years in a Methodist parsonage.

After the retirement of Brother Moore they lived at Meadowville, Barbour County, W. Va., until two years before her death. In the Fall of 1939 she and her husband came to live with his daughter, Mrs. J. S. Freeman, Rivesville, W. Va., in whose home she resided until the time of her death.

She joined the Methodist Church when only a girl and remained a faithful member until the end.

Funeral services were conducted in the home by the Rev. Okey Summers and the Rev. A. Vanscoy. Interment was made in the Oaklawn Cemetery near Rivesville, W. Va.

MRS. NANNIE A. HERALD

Nannie A. Herald, daughter of H. G. and Lydia May, wife of Rev. James N. Herald, departed this life June 3, 1941. She was united in marriage to James N. Herald July 31, 1890. To this union six children were born; two sons dying in infancy; four daughters survive; namely, Mrs. E. C. Adkins, Ironton, Ohio; Mrs. W. W. Brown, Huntington, W. Va.; Mrs. Wm. Spiers, Kanauga, Ohio and Mrs. L. C. Reeves, Haddenfield, N. J. Also two sisters, Mrs. Thomas Stanley and Mrs. John George, also, one brother C. S. May all of Floyd County, Kentucky, and ten grandchildren.

She confessed Faith in Christ at the age of 19 or 20 and for

over fifty-four years she unreservedly dedicated her life to God. She served with her husband in the ministry 34 years. No home or appointment was ever too humble for her to go to serve for her Master.

Funeral services were conducted in the First Methodist Church at Barboursville, W. Va. by her pastor Rev. J. D. Engle, assisted by Rev. F. S. Pollitt and Rev. W. L. Reid. The body was laid to rest in the Oaklawn Cemetery near Barboursville, W. Va.

MRS. J. M. GROSE

Mrs. J. M. Grose, widow of Rev. J. M. Grose, was born in Clay County, W. Va. in the year 1859. In 1889 she was united in marriage to Brother Grose, and for fifty years was his faithful helpmate in the work of the ministry during the forty-two years of his effective relation in the Conference. Widowed for the past four years, yet she continued to serve the church so far as health would permit, deprating this life June 13, 1941.

She with her husband served in the work of the ministry during those years when the work of the Conference was still largely in the pioneer stage, when much sacrifice was demanded by both pastor and family. Yet she and her four children met the demands of the work heroically, and left a record to be admired by all with whom they came in contact, exemplifying those virtues which has been so characteristic of the Methodist ministry. With her going another noble woman has been added to the galaxy of the immortals.

MRS. H. L. POLING

Just before the convening of the last session of the West Virginia Annual Conference, Mrs. Hiram L. Poling, widow of Rev. Hiram L. Poling, passed away in a hospital in Huntington, W. Va., to which institution she had been taken for an operation which it was expected would restore her to health. But after a short space she passed away.

During the years after the death of her husband she had made her home in Miller, Ohio, among relatives. For seven years she had filled parsonage homes during the pastorates of her husband, who had preceded her in death by more than thirty years.
